# Killers in the dock

**Culemborg Park — Four accused are currently on trial for the murder of Marius du Toit.**

He was killed in Randfontein two years ago.

The case began in the Kagiso Magistrates' Court on Monday, 31 July. All of the accused were denied bail some time ago.

Du Toit was shot and killed in his home in Culemborg Park early on Easter Sunday morning in 2015. Captain Appel Ernst, Randfontein Police

spokesperson, said at the time that four men had overpowered the family and shot and killed Du Toit in the presence of his son, who was 15 years old.

His brother-in-law was stabbed during the robbery, but he survived the attack. Ernst said, "It is alleged the suspects gained entry to the house by breaking the burglar bars on a window."

Lieutenant Colonel Gert Kruger and the Krugersdorp Cluster Trio Task Team arrested five suspects in September 2015.

One suspect was found to be in possession

of one of the stolen cellphones, but could not be linked to the murder or the robbery, so he was set free by the court.

Warrant Officer Thabiso Duiker is the investigating officer.

In February 2016, in an exclusive interview with Gerda Havenga, Du Toit's partner, she explained how difficult life had been since his death and how she lived in fear of a similar incident happening again.

Havenga and Du Toit were together for 20 years and were engaged for 19-and-a-half years. She explained how Marius' job

often took him away from home and that every year they said they would get married in October, but never got around to it.

"I think if Marius ever had a last wish, it would have been to marry me," Havenga said.

She added that identifying the suspects during an identification

parade was the absolute worst and extremely traumatic.

On top of that, she was worried about her son who had to identify suspects as well. Havenga has relocated since the murder.

"I just couldn't live in the house where my husband was murdered," she said.

# Robinson hospital targeted in scam

**Greenhills** — Life Robinson Private Hospital would like to warn the public that the number of fraudulent advertisements is increasing.

The warning follows a number of scam advertisements for vacant positions placed on the internet using Life Healthcare hospital names. Life Robinson Private Hospital is one of the targets. This scam involves using these hospital names with the aim of soliciting money from potential job-seekers.

“The hospital carries the community’s interests at heart and therefore

we want to warn

community members to not be part of this scam,” said Dr Marinda Overbeek, the hospital manager. **How does it work?**

The fraudulent advertisements are predominantly placed on recruitment websites or job portals where Life Robinson Private Hospital’s name is used to advertise both genuine and fictitious vacancies. In some instances, applicants are requested to make an upfront payment as part of their application, often as much as R4 000. Once applicants have paid the fee, they receive no further feedback and are unable to contact the person who posted the job advertisement.

“Over the past 12 months the hospital industry has become aware of fraudulent job offers, but we have seen a marked increase in these postings over the past few weeks. Job-seekers

who apply for hospital positions and are subsequently requested to make a payment upfront should not part with any money as this is not how we recruit new employees,” said Juliet Mhango, Life Healthcare’s HR Executive.

Dr Overbeek told the *Herald* the hospital uses a strict formal procedure and strategy when posting vacant positions. They also make use of the correct lawful way to post these positions.

“We will not ask any money from the public if a position is advertised and we will not make use of a cell number as a contact

number. All available positions can be confirmed on our website and contact details of personnel at the hospital are also available there,” said Melanie van Staden, marketing and communications coordinator.

Life Healthcare encourages job-seekers to report these fraudulent

adverts to the local police.

“We are really concerned about this situation and we want to make sure that the community receives the treatment they deserve. Nothing hurts me more than to see an applicant coming in to inquire about a position, only to realise the person has been scammed,” said Dr Overbeek.

Should potential candidates wish to apply for a legitimate Life Healthcare position, please visit the careers web page at [www.life.co.za](http://www.life.co.za).

People who have been affected by the scam can contact the *Herald*’s journalist, Nadine Maré at [nadinem@caxton.co.za](mailto:nadinem@caxton.co.za).

“**We want to warn community members to not be part of this scam**”

Melanie van Staden, marketing and communications coordinator.

#### What to look out for in a potentially fraudulent job ad:

- The enquiry contact number is a cell number since landline numbers are “out of order”
- A fax number is provided as the only contact method
- The application form requests banking details
- Payment may well be requested upfront for administration purposes and uniforms
- No face-to-face interviews are requested
- Posts do not use the hospital name in full; for example, the advertisement will state ‘Robinson Hospital’, rather than ‘Life Robinson Private Hospital’
- While the position itself may well be an existing vacant position at Life Healthcare, the application process is not legitimate
- If in doubt, job applicants should contact the HR administrator of the hospital in question to clarify whether the hospital has advertised posts on a particular career or recruitment website

# She was a child of God

**Maritza van Zyl**

**Culemborg Park** — The woman who tragically lost her life following a two-vehicle crash at an intersection in Culemborg Park on the afternoon of 31 July, has been identified as **Karen van der Bergh, 56.**

Karen’s memorial service was held last Friday at the NG Kerk in Randfontein.

She leaves behind her two daughters, her mother, grandchildren and extended family.

In a touching letter to her mother on social media, one of her daughters, Lyndall Pretorius, wrote that her mother was her life and that she had the most beautiful heart.

She said, “She always did everything for everybody. She never had anything bad to say about anybody.

“She was a child of God.”

Karen van der Bergh, who tragically passed away. **Photo: Facebook.**

She also wrote that their family is broken. “Rest softly in God’s arms, mom,” she wrote.

Karen was killed in a two-vehicle accident at the intersection of Tambotie Street and Horingbek Avenue. The accident took place at about 4pm.

Numerous emergency and paramedic services as well as the traffic department, police and many bystanders were on scene.

According to an eyewitness, the vehicle the woman was travelling in came from Malan Avenue and approached the intersection while the other vehicle, identified as a bakkie with a quad bike on the back, came along Tambotie Street towards Lazaar Avenue.

According to another eyewitness and some bystanders, the traffic lights at that intersection change rather quickly from orange to red. The exact cause of the accident is being investigated. After the crash, several eyewitnesses said that Karen appeared to be alive for approximately five minutes, but then succumbed to her injuries and passed away.

Paramedics on scene said unfortunately nothing could be done for her.

# ‘n Burger, toe’s ek amper dood

**Randgate** — “My seun het by die dood omgedraai en as dit nie vir die verpleegsusters by die apteek was nie, het ek vandag my seun begrawe.”

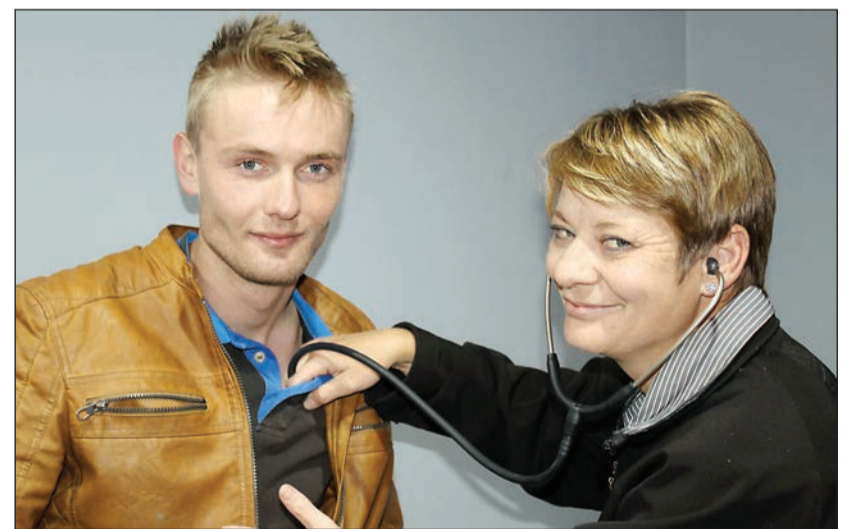

So het Debbie Knickelbein Roux, ma van Christopher Blignaut, 24, gesê. Sy glo die verpleegsusters van die Randgate Apteek het haar seun se lewe gered toe hy skielik opgehou asemhaal het nadat hy ‘n burger geëet het.

Die voorval was Maandag, 24 Julie.

Christopher het verduidelik, “Ek het heerlik aan ‘n burger gesmul toe ek skielik begin sleg voel. My keel het toegetrekk en ek het inderhaas na ‘n plaaslike kliniek toe gery. Daar is vir my gesê om in die ry te gaan sit, maar ek het besef dat as ek nie dadelik behandeling kry nie, ek gaan sterf. Ek is toe apteek toe waar die twee verpleegsusters my dadelik gehelp het.”

Die personeel het Christopher se ma onmiddellik laat weet en aan haar verduidelik dat Christopher se organe binne 20 minute kan staak. Die susters het alles in hul vermoë gedoen om hom aan die lewe te hou terwyl hulle vir die Netcare 911-paramedici gewag het.

“Christopher het ‘n buitengewone allergiese reaksie gehad wat uiters gevaarlik was,” het verpleegsuster Rianie Grové aan die *Herald* ver-

Christopher Blignaut en verpleegsuster Rianie Grové.

duidelik.

Volgens die ander suster, Babalwa Rltsepo het Christopher verskeie kere ophou asemhaal en ook ‘n paar keer sy bewussyn verloor.

“Ons het net aangehou om hom aan die lewe te hou,” het Babalwa gesê.

Christoper is na die Leratong-hospitaal geneem vir verdere behandeling.

Debbie het vir die *Herald* van die apteek se uitstekende diens vertel. “Wat my diep geraak het, is dat een van die personelede my gekontak het tydens die voorval en aangebied

het om my te kom haal en na my seun toe te neem,” het Debbie vertel.

Die apteekpersoneel het haar boonop die volgende dag geskakel om te vra hoe dit met haar seun gaan.

“My seun het by die dood omgedraai en as dit nie vir die susters by die apteek was nie, het ek vandag my seun begrawe,” het Debbie gesê.

Debbie en haar gesin het nagenoeg 18 maande gelede na Randfontein verhuis en sy kon nie uitgepraat raak oor die goeie diens en vriendelikeheid wat hulle al van die inwoners ontvang nie.

## In brief

### Gang arrested before targeting school

**Bekkersdal** — Bekkersdal Police managed to arrest nine members of a heavily armed gang while they were approaching the entrance of a local school recently. They are aged between 18 and 30.

According to Sergeant Linkie Lefakane, Bekkersdal Police spokesperson, the arrests came after they had received information about youngsters intending to attack learners at a school in the area.

Lefakane explained the school was closely monitored by the crime-prevention team led by Captain Nokuthula Sebonyane. At about 2.30pm, while the officers were patrolling, they spotted a group of young men heavily armed with

axes, pangas, Rambo knives and iron rods approaching the school entrance.

"When they noticed the police vehicle, they started running in different directions, but the police managed to arrest nine of them," Lefakane said.

The nine suspects will be charged with being in possession of dangerous weapons.

Colonel Abraham Nkhwashi, Bekkersdal Police station commander applauded the members for their swift reaction and their dedication towards their duties.

"We have saved these young people from committing serious offences. We hope these arrests will serve as a warning to those who escaped arrest," he added.

### Rapist behind bars

**West Porges** — A 36-year-old man was recently convicted and sentenced in the Randfontein Regional Court on two separate rape charges.

In the first case, the man was sentenced to 24 years in jail for the rape of a minor in August 2012, and in the second to 14 years' imprisonment for raping a 33-year-old woman in September 2015. He was also declared unfit to possess a firearm. Both cases were investigated by Sergeant Thobeka Buthelezi, who is a member of the Krugersdorp Family Violence, Child Abuse and Sexual Offences unit.

According to Captain Appel Ernst, Randfontein Po-

lice spokesperson, "On 29 August 2012, a minor was raped in an open area in Mohlakeng.

"The suspect was unknown at that stage and could not be traced although the victim indicated that she would be able to identify him." She added, "On 18 September 2015, a 33-year-old woman was overpowered in Mohlakeng Extension 7 while she was on her way home. She was approached by a man who is known to her.

"He raped her at a deserted place, but ran away when she screamed."

Investigation by officers on the scene secured the arrest of the suspect and he was charged with rape.

### Skeletal remains found

**Aureus** — Randfontein detectives are investigating an inquest docket after human skeletal remains were found in Aureus on Monday, 17 July.

Captain Appel Ernst, Randfontein Police spokesperson, said they were called to a scene near the railway houses in the area at about 4pm. Upon their arrival, police members were shown an area where skeletal remains had been discovered. "It is alleged that railway employees were cleaning the area when they found the remains," Ernst said.

The following clothing items were found with the remains: a navy-blue jersey, grey trousers and brown boots. The cause of death will be determined by a postmortem.

Warrant Officer Lindie Breytenbach would appreciate any assistance the public might be able to offer. Anybody who might know of a person, whether male or female, who disappeared in the past few months, and was wearing similar clothing, is requested to contact Warrant Officer Breytenbach on 011 278 8100.

## Vroue uit een stuk

Maritza van Zyl  
maritzaz@caxton.co.za

**Randfontein-middedorp** — Om 'n onderhoud met 'n landdros gereël te kry, is moeiliker as om 'n marlyn uit die see te trek.

Aangesien dit Vrouemaand is, het die *Herald* verlede Vrydag, met ons eie landdros Elbie Botha gesels oor misdaad in Randfontein.

Sy is ook voorsitter van Vriendskapstuiste en lid van die komitee van die Connie Mulder Sentrum.

Botha, wat al 24 jaar 'n landdros is en 17 jaar daarvan by die Randfontein Landdroshof werk, het al baie ondervinding opgedoen.

Sy behartig Kinderhof-, Strafhof-, insolvensie-, geregtelike doodsondersoek-, kinderegtheid- en rehabilitasiesake. Sy werk ook nou saam met Sterkfontein Hospitaal. Sy verwys mense daarheen en kry terugvoering van die hospitaal oor hul welstand.

Botha het vertel dat sy gaande is oor haar werk. "Ek het 'n groot passie vir wat ek doen, deels omdat ek in geregtigheid glo. Die Kinderhof wat ek sedert 2013 behartig, lê my baie na aan die hart. Dit is ook die hof wat mens emosioneel die meeste uitput. Uit al die sake sal ek Kinderhofsake huis toe neem om aan te werk. Dit is vir my verskriklik wat mense aan kinders kan doen, maar ook wat mense aan mense doen."

Botha het verder gesê dat die meeste sake wat sy behartig met diefstal, gesingeweld en dwelms te

doen het. Sy het verduidelik dat baie van die diefstalsake met mense se ekonomiese omstandighede verband hou. Die man voel gefrustreerd omdat hy nie vir sy gesin kan sorg nie, en dit laat hom dan byvoorbeeld diefstal pleeg.

"Dwelmmisbruik in Randfontein is buite beheer, met dagga en nyaope onder die gewildstes," het Botha gesê. Die groot probleem is dat

“Ek het 'n groot passie vir wat ek doen, deels omdat ek in geregtigheid glo”

die publiek ongelukkig is en dink die gebruik van dagga is nou gewettig. Sy het verduidelik dat vir medisinale gebruik, dagga nie gerook word nie. Die baie suiwer dagga-olie, waarvan baie min gebruik word, word gewoonlik as behandeling teen kanker en verspreide sklerose aangewend en laat die gebruiker se bloed nie verdik nie.

"Ek het deur die jare gesien wat dagga aan 'n persoon doen, en moes al dikwels mense Sterkfontein toe stuur. Daggarokers se bloed verdik, wat veroorsaak dat te min suurstof die brein bereik. So doen mense breinskade op," het Botha gesê.

Sy het ook vertel van moorde wat

as gevolg van oormatige alkoholgebruik gepleeg word – selfs vriende onder die invloed vermoor mekaar soms onopsetlik. Op die *Herald* se vraag oor hoe sy daarvoor voel wanneer 'n prokureur of advokaat iemand verdedig wat duidelik skuldig is, het sy verduidelik dat elke beskuldigde die reg het op die beste regsverteenvoerding. Regslui lê 'n eed af dat hulle dit sal respekteer.

In die lig van al die grusame foto's wat sy al moes bestudeer en sake wat sy moes behartig, het die *Herald* vir Botha gevra hoe sy dit regkry om nie deur die verskriklike geweld ontstel te word nie. Sy het verduidelik dat dit mens tog raak, maar dat sy geleer het om net na die foto's en bewysstukke te kyk en as dit enigins moontlik is, haar te verlaat op die getuies se verklaring.

"'n Mense kyk daarna met jou analitiese brein, nie met jou emosies nie," het sy vertel.

Botha is al met 'n byl, 'n mes en 'n lemmetjie gedreig. 'n Beskuldigde het al in die hof opgespring en 'n ketting om haar nek gedraai.

"Ek hanteer baie sake, maar sonder my twee regterhande, Elna Cunningham en Bridie Malekane, weet ek nie wat ek sou doen nie. Ek het 'n ongelooflike span wat my ondersteun," het Botha verder gesê.

In die Kinderhof is daar prokureurs wat ook *pro bono*-sake hanteer, en Botha het die name van Santie Appelgryn en Ramona van der Heever genoem wat die Kinderhof op 'n wonderlike wyse ondersteun.

## Toekies 'n omgewing vir onwettige bedrywighede?

### • Desmond Dickson skryf:

Toekomsrus lyk na die omgewingsvriendelike teelaarde vir alle ongewenste elemente en onwettige bedrywighede.

Eers was dit waterpype en nou het 'n nuwe verpesting weereens sy kop hier uitgesteek: ongepatenteerde kondoom-klipskieters – 'n aangepaste ontwerp soortgelyk aan die bottelnek-pylskieters wat ons destyds as kinders 'vervaardig' het.

Die toestel verskaf meer onsmaklikheid as plesier en die ontstoke ouers bejeën die situasie met kommer, en vrees 'n fatale voorval voordat vredebewakers daadwerklik begin optree.

Dalk moet ons GPF of wyksraadslede in die verband betrokke raak om die fabrikante aan die kaak te stel en die euwel in die kiem te smoor.

Die verskaffers is besig om kinders se gedagtes te besoedel met hul 'onsmaklike' uitvinding aangesien kondome orals vrylik beskikbaar is en aan die instrument 'n lewenslange waarborg verleen.

Toekies is alreeds sinoniem met boos-

heid en plaë wat aan satanisme grens na die inbraak by die kliniek ter wille van bestanddele vir die vervaardiging van dwelms soos die afskuwelike vernietigers, nyaope en tik.

Volgens 'n gerehabiliteerde dwelmkenner is rotergif en antiretrovirale medikasie die hoofbestanddele van hierdie dodelike dwelms.

Inwoners met eerstehandse inligting [vertel] dat daar selfs spuitnaalde en kondome in die slag gebly het na die inbraak by die kinderafdeling van die kliniek.

'n Juffrou van Hartzstraat Primêr het by die byeenkomsblad die kinders ernstig aangespreek oor hierdie nuwe gewaarwording.

Snags loop wakende inwoners met verdwaalde oë deur die strate uit vrees vir 'n skielike skietaanval vanaf waar die toegelate 'skerpskutters' skuil.

Selvs vensterruite en troeteldiere word bedreig en slegs 'n voorval kan in hierdie geval die probleem nietig verklaar, voordat die twisappel in 'n turksvly onttaard.

## Take a drive down Elizabeth Rd

### • Anonymous writes:

Hi there, regarding the long-troubling Ventersdorp Road being fixed, the following ...

Just to say this was so great to see, but my joy did not last very long as when I went running on Elizabeth Road just opposite Sungate, [I saw that] nothing had happened to this road. When you live on the agricultural holdings it seems we are last on the list – as you saw, it took six years to fix Ventersdorp Road.

Elizabeth Road is used daily by trucks far exceeding the allowed weight, because one

of the residents living on the road runs a business and the massive trucks are causing huge damage to the road. It keeps on being patched, yet within weeks the trucks damage it again.

I would suggest you take a drive down Elizabeth Road and see what has become of our road. Perhaps you can forward this mail to councillors Alwyn and Peter to investigate.

Perhaps the resident whose trucks are causing this damage should be charged to fix the road.

## Why not a 'Let's protect our kids day'?

Clinton Botha

### • The editor writes:

Why not make every day also a 'Let's protect our kids day'?

As if a recent survey indicating that 10 000 children were murdered in the past decade wasn't shocking enough, it was revealed last Wednesday that out of the 14 Gauteng school teachers who have been charged with sexual assault and/or indecent behaviour, three have been found guilty so far.

The affected schools are unknown.

This according to Khume Ramulifho, MPL and DA Gauteng Shadow MEC for Education.

Gauteng Education MEC, Panyaza Lesufi, responded by saying, "The department has a total of 14 teachers facing disciplinary action due to sexual assault and/or indecent behaviour.

"Eleven of the 14 accused teachers are still undergoing disciplinary processes while serving in their posts.

"Three were found guilty.

"Appropriate sanctions will be determined and instituted against the three employees found guilty."

Ramulifho, however, is of the opinion that cases of such a nature should be swiftly resolved and be addressed with seriousness.

He lamented the fact that, "Until now, no punishment has been imposed on the three teachers who were found guilty.

"We cannot have alleged perpetrators remain in the system due to lack of prioritisation of sexual assault cases. Allegations of sexual assault or indecent behaviour must be handled carefully, as school learners cannot be subjected to secondary victimisation by the accused teachers.

"The department must protect learners to ensure that learning and teaching take place in a conducive environment."

# Is Helikonpark dalk eersdaags slaggatvry?

**Helikonpark** — Gevaarlike slaggate en onaanvaarbare padoppervlakke is bekende woorde in die gemeenskap, maar dit is dalk binnekort iets van die verlede.

'n Hele klomp strate is tans in die munisipaliteit se visier, onder andere Arendrylaan, Jan Fiskaal-, Angelier-, Flamink-, Sugarbird- en Hoepoestraat, het raadslid Craig Harrison bevestig.

Craig het ook vertel dat hy baie klagtes van die inwoners in sy wyk ontvang en dat hy dit daaglik by die raad indien.

"Dit voel vir my of die munisipaliteit ons afskeep en nie

aandag aan ons wyk gee nie," het Craig gesê.

In dieselfde asem wil Craig graag die munisipaliteit bedank vir die nuut geteerde strate en vir die strate wat nog op hul agenda vir herstelwerk is.

Die *Herald* het by 'n inwoner in Arendrylaan gaan aanklop om te hoor hoe hy voel.

Billy Toy wat dekades lank in die dorp woon, en al meer as 22 jaar lank 'n huis in Arendrylaan het, was baie ongelukkig.

"Ek bly sedert 1945 in Randfontein en die paaië het nog nooit so erg gelyk nie. Dit is 'n skande," het Billy gesê.

Ann Bezuidenhout is baie opgewonde oor die spoedhobbels.

# Genoeg om 17 jaar se ongelukke te stop?

**Nadine Maré**  
nadinem@caxton.co.za

**Homelake** — Sewentien jaar lank kan Homelake-inwoner Ann Bezuidenhout al getuig van die gru-ongelukke wat in Angelierstraat plaasvind.

Sy hoop dat die nuwe spoedhobbels die probleem gaan stopsit.

Vir dié week se #Munisipale-Maandag het die *Herald* met Ann in dié probleemstraat gaan gesels.

Volgens Ann was daar nagenoeg vyf ongelukke binne 'n jaar voor

haar huis omdat motoriste Angelierstraat as 'n renbaan gebruik, ten spyte daarvan dat skoolkinders en studente dié besige straat gebruik. Sy voel dat dié leerders se lewens in gevaar is.

"Ek is gereeld in kontak met Ann en na die voorvalle het ons vir spoedhobbels gevra," het raadslid Craig Harrison gesê.

Nadat versoek meer as 'n jaar lank gerig is, het die munisipaliteit op Woensdag, 26 Julie drie spoedhobbels oor 'n afstand van 'n kilometer gelê. Ann was baie opge-

wonde en het vertel dat dit alles te danke is aan Craig wat die gemeenskap se belange op die hart dra.

"Baie mense sê Randfontein gaan agteruit, maar ek voel dat die dorp besig is om vooruit te gaan," het Ann gesê. Ann kon haar opgewondenheid nie betoel nie en het op een van die spoedhobbels gaan lê en haar dankbaarheid uitgedruk. Craig het aan die *Herald* vertel dat hy reeds 'n versoek aan die Verkeersdepartement gerig het om die spoedhobbels te verf en om waarskuwingstekens op te rig.

## Lewensgevaarlike mangat by skool

**Homelake** — Leerders se lewens is in gevaar omdat die deksel van 'n mangat buite Laerskool Randfontein gesteel is.

Die skool asook ouers is bitter bekommerd oor leerders se veiligheid. Die skool meld glo die probleem vir meer as twee jaar lank gereeld aan, maar niks word daaraan gedoen nie.

Volgens Annie Nolan, skoolwoordvoerder moet hulle die gevaarlike mangat tydens sportgeleenthede toemaak omdat hulle vrees dat iemand daar gaan seerkry. Die *Herald* het DA-raadslid Ellik de Lange genader, wat gesê het, "Ek het die gat al by die munisipaliteit aangemeld en ook die gevaar

daarvan uitgewys. Die munisipaliteit is bewus van die probleem."

Volgens Ellik is die diefstal van mangatdeksels 'n groot probleem in Randfontein en vir inwoners wat dit gereeld – soms tevergeefs – moet aanmeld. Hy vermoed dat die deksels aan 'n skrootwerf verkoop word.

"Lyk vir my daar word gewag dat iemand seerkry of sterf voor die munisipaliteit die erns van die saak besef," het Ellik gesê.

Die skool is besorg oor die moontlikheid dat ouers hulle gaan blameer indien 'n leerder sou seerkry.

Ram hoop egter dat die probleem spoedig opgelos sal word.

Chris Jacobs help 'n leerder uit die mangat.

## Ek bly in 'n varkhok

**Middelvlei** — Vir 15 jaar lank sukkel Wiekus de Beer met die probleem van rommel voor sy huis en besigheid. Volgens hom is dit nou besig om hand uit te ruk.

Wiekus besit 'n kleuterskool en die rommel wat vreemde mense op die perseel strooi, hou 'n gesondheidsgevaar in. Daar word onder andere huishoudelike produkte, bottels, plastiek en ander onooglike items daar gestort. "Ons het al 'n hoop dooie hoenders en dooie honde tussen die rommel gekry wat ons moes skoonmaak," het Wiekus gesê. Hy het ook vertel dat dit hom vies maak om elke dag ander se rommel in sy erf te moet optel en te gaan weggooi.

Vir Wiekus voel dit of hy in 'n varkhok bly, maar hy is bekommerd oor sy diere en die kinders wat daaglik op die perseel is. Skoolkinders moet ook hul pad deur die rommel vind.

Wat hom ook ontstel is dat sy grond besoedel word deur goed soos plastiek. Hy het vertel dat hy gereeld glasbottels uitgrawe wat donkiejare oud is.

"Dit voel vir my of Middelvlei en Kocksoord 'n asgat is," het Wiekus gesê. Hy weet nie wie die skuldiges is nie omdat die afval óf baie vroeg soggens

Wiekus by van die rommel.

óf baie laat saans daar afgelaai word. Hy het vertel dat die hoewebewoners nie munisipale dienste ontvang nie en dus self daarvoor verantwoordelik is.

Hy hou manalleen sy erf skoon en verg harde werk, het hy vertel. Dit breek egter Wiekus se hart om te sien dat die dorp se standarde daal. Hy het vertel dat hy verstaan dat almal nie altyd die regte geriewe het om van hul vullis ontslae te raak nie, maar dat dit nie regverdig is dat hy daarvoor verantwoordelik gemaak word nie.

Peter Dick and Alwyn van Tonder are overjoyed about the road that is being repaired – at long last!

## Long-troubling road getting fixed, at last

**Maritza van Zyl**  
maritzaz@caxton.co.za

**Bootha Agricultural Holdings** — "It's been a long wait, but we are truly grateful."

This is the general view of two councillors, Alwyn van Tonder (Ward 3) and Peter Dick (Ward 9) as Ventersdorp Road is being repaired by the Rand West City Local City Municipality – in response to a request they made six years ago, in 2011.

When the *Herald* arrived on Ventersdorp Road last Monday, ma-

chines were running loud and proud and municipal workers were hard at work with one goal in mind – to fix the road up to the point where the Gauteng Department of Roads and Transport takes over.

According to Dick, "This is one of the mainstream entrances to Randfontein and it's wonderful to see the road finally being seen to."

Van Tonder added that they want businesses to flourish in Randfontein and if the roads are maintained and well-looked after, new businesses will definitely be encouraged to open.

Dick continued, saying, "The Ventersdorp Road past Sungate Farms was disintegrating, and pot-holes were a huge problem. In the past the road has only been patched, which did not solve the problem. Now, they are removing the old tar and starting from scratch."

Both councillors said they see this as a very positive sign, and hope that other roads, for instance Elizabeth Road, will soon receive the same attention.

"The roads that get fixed must also be maintained in future," Van Tonder said.

## Stormwatergevaar in Randgate

**Randgate** — Die *Herald* het onlangs twee stormwaterdreine in Randgate gaan inspekteer.

Dié dreine in Van Deventerstraat is 'n probleem, veral vir die bejaardes wat in die omgewing woon.

DA-raadslid Sina Erasmus het bevestig dat die twee dreine al meer as 10 jaar lank beskadig is. Dit is glo op die IDP-lis.

"Ek het dit al menigmaal by die munisipaliteit aangemeld. Die bejaardes in die Randpoortuiste meld dit ook gereeld aan," het Sina gesê.

Sy het vertel dat bejaardes elke dag daar verbystap vir oefening en dat sy die dag vrees dat een van hulle in 'n drein val. Die *Herald* het self gesien hoe 'n bejaarde vrou wat by die drein verbygestap het, haar misgis het en amper daarin geval het. "Dit is 'n groot bekommernis want dit is boonop verstop," het Grieta Greyling gesê. Dit is ook 'n groot kopsorg in die reënseisoen.

Sina Erasmus en Grieta Greyling by die stormwaterdrein.

Wanneer dit reën, het sy vertel, vloei die water soos 'n rivier in die pad af. "Ek voel die munisipaliteit

moet die probleem kom regstel voor dit ernstige gevolge het," het Sina gesê.

## Raad weet wie die morsjorse is

**Helikonpark** — Na nog klagtes oor rommel het die *Herald* agter die kap van die byl gekom.

Op 27 Julie is daar berig dat Middelvlei deur rommel oorgeneem word, maar dit is nie die enigste plek waar die probleem voorkom nie.

Verskeie inwoners is genader om rommelprobleemareas in Randfontein te identifiseer, en Helikonpark is onder andere genoem.

Arendrylaan is al meer as 10 jaar lank 'n kopsorg vir inwoners en die reuk wat daar hang is iets afskuwe-

lik. Volgens raadslid Craig Harrison word onder andere boumateriaal, huishoudelike goedere en selfs dooie diere daar weggegooi. Hy het gesê dit word gereeld by die munisipaliteit aangemeld, maar die rommel is skaars opgeruim of die morsjorse is terug.

"Die munisipaliteit kan nou skoonmaak en oor 'n uur of twee lyk dit weer net so erg," het Craig gesê. Hy het vertel dat inwoners in die omgewing gereeld kla en ongelukkig voel.

Tydens die *Herald* se besoek aan

die area het Craig 'n munisipale rekening van 'n plaaslike inwoner tussen die rommel gekry.

"Ek weet wie se rommel word hier gestrooi, want ek het nou bewyse. Ek gaan die inwoners aanspreek," het Craig gesê.

Craig doen 'n beroep op die gemeenskap om nie rommel onwettig te strooi nie en dit eerder na die toegewese stortingsterreine te neem.

Volgens Craig kan die rommelprobleem 'n negatiewe uitwerking op die voëlpark hê wat binnekort sy hekke gaan open.

# Bingo vir goeie doel

Maritza van Zyl  
maritzaz@caxton.co.za

**Wilbotsdal** — Daar was vet pret tydens Connie Mulder Sentrum se gewilde Bingo-aand.

Dit was 'n fondsinsamelingsgeleentheid ten bate van die inwoners van die Sentrum. Nagenoeg 400 mense, waaronder inwoners en ander bekendes het die funksie bygewoon, vol hoop om groot pryse los te slaan. Die kaartjies was al 'n hele rukkie voor die tyd uitverkoop. Peter Dick en Sina Erasmus van die Demokratiese Alliansie (DA), en Marcelle Mans van die Randfonteinse Publisiteitsvereniging, het onder andere pryse geskenk. Vernon Woods, 'n getroue borg van die Bingo-aand, was ook daar.

Die pryse het 'n drienaag-bootreis na die Portugese Eilande, 'n vakansie vir ses by die Umzambe Chalets en 'n vakansie vir vier mense by een van die ATKV se vakansieoorde ingesluit. Bekende gesigte het hier en daar opgeduik, soos Laerskool Randfontein se hoof, Leon Haupt, Eddie Krog en Peter Dick van die DA, EPR se Mac van Zyl, Matium van Vuuren van AfriForum, landdros Elbie Botha en natuurlik ook dominee Johan van der Merwe van die Lewende Nuwe Generasie Kerk. Daar was selfs drie jong manne wat al die pad van Bryanston af kom

inloer het. Nog vele ander bekendes het die aand saam met die gemeenskap geniet.

Ivan Solomon het die Bingo aangebied en die heel eerste wenner was die gelukkige Chané Johannes. Al die wenners se name sal in die volgende uitgawe van die *Herald* verskyn. Dit was 'n baie gesellige aand maar die heel belangrikste is dat Randfonteiners weer hulle harte oopgemaak het vir die inwoners van die Connie Mulder Sentrum.

# The new Kaapse Klopse?

**Toekomsrus** — There is a group of young, enthusiastic street musicians from Toekomsrus wanting to wow crowds with their music, which is similar to that of the Kaapse Klopse, but they are in need of instruments.

Philip Lackay saw a need for music in the community. He then decided to start a brigade of street musicians for youngsters. The response was overwhelming as 16 youngsters started the journey.

This parading in the community has set a spark alight in some youngsters' hearts and each individual soon found a place in the group.

"We foresee massive growth as we begin parading in the community and become exposed but for starters we have begun at Eagles Rise Church in Toekies," said Philip. Philip has big goals and dreams for the group that include producing well-mannered, confident, disciplined and well-ordered young people.

For these street musicians to be successful though, they require three marching snare drums, one big bass drum, six brass bugles and 12 recorders. The brigade would greatly appreciate any help they can get from the community. For now, though, the group

wants to thank Pastors Happy and Barbara Visser for allowing them to begin this venture as an extension to their vision.

The brigade is excited to start a programme in the future which will involve team

building and many adventurous escapades.

# Melandia Tiedt

**Culemborgpark** — Op Dinsdag, 1 Augustus het die *Herald* in die 27e aflewering van *#Leer 'n Teiner ken*, vir Melandia Tiedt, 25, ontmoet.

Melandia, eenaar van 'n plaaslike bakery, het verduidelik dat sy in Randfontein gebore is en hier grootgeword het.

Sy is dol oor kosmaak omdat kos mense gelukkig maak. Vir haar is Randfontein 'n baie hegte gemeenskap en mense is soos familie. Melandia het laggend aan die *Her-*

*ald* vertel dat die gemeenskap haar onmiddellik identifiseer aan haar van. Volgens Melandia is haar familie bekende inwoners in die dorp. Die gemeenskap ken Melandia as 'n vriendelike en liefdevolle persoon. Sy is ook bekend vir haar hulpvaardigheid in die gemeenskap, omdat sy altyd ander in nood wil help.

Hoewel haar ystervarkies 'n groot gunsteling is, het sy gesê haar groot liefde bly maar om heerlike aandetes voor te berei.

# How to defend yourself ...

**Randgate** — With crime and bullying making constant headlines, it's become essential to know how to defend yourself.

According to Eugene van der Merwe, a local resident and South African professional Muay Thai title-holder who goes by the name *Headhunter*, "With crime statistics through the roof, self-defence is compulsory". With the community's safety

at heart he decided to give schoolchildren a self-defence class so that they would be able to act in all situations. The classes are not just for children though, they're for the whole family. Children of all ages were present at his demonstration, and each one was given the opportunity to learn how to defend him- or herself in a variety of situations.

## What the classes include:

- Defence against bullying
- Anti-kidnapping tactics
- Kickboxing
- Basic weapons training
- Anti-drug awareness
- Defence against home invasion
- Anti-vehicle abduction behaviour
- 'Mommy and me' defence

## The positive impact of self-defence classes:

- Self-esteem is improved
- Flexibility is enhanced, resulting in good posture
- Fitness fights fatigue
- Courtesy and respect for others are learned
- Mental focus is improved
- Overall mental well-being is enhanced

## Hillside — Net een kyk, toe's die koeël deur die kerk.

So het Awie Matthysen, 70, vertel oor sy geliefde vrou Susan.

Hulle het onlangs hul 50e huweliksherdenking gevier.

Susan en Awie van Hillside is albei in Randburg gebore, het daar grootgeword en is daar getroud. Susan was oorspronklik maats met Awie se sussie, maar met Susan en Awie se eerste ontmoeting was albei smoorverlief.

"Ek het haar net een kyk gegee en ek het dadelik geweet dat ek eendag met haar gaan trou," het Awie gesê.

Die egpaar woon die afgelope 43 jaar in Randfontein en het twee seuns en twee kleinkinders. Hulle beskou geduld, respek vir mekaar, liefde en geloof as die sleutel tot 'n suksesvolle huwelik.

Die twee geniet dit om saam in die tuin te werk, sosiaal te verkeer, te braai en om by die padkafé iets lekker te eet of drink.

"Ons het saam al baie deurgemaak," het Susan gesê.

Susan het vertel dat sy twee maal borskanker oorwin het en dat Awie 'n trippel-hartomleiding en ook twee keer hartversaking oorleef het.

Susan het vertel dat die terugslae hulle band net sterker maak.

Awie het laggend vertel dat Susan baie wonderlike eienskappe het. Sy maak baie lekker kos en kan altyd deur 'n ring getrek word.

"Sy lyk elke dag soos 'n jong bokkie," het Awie vertel.

Susan het trots vertel dat sy die beste lewensmaat gekry het en dat Awie haar in alles bystaan.

"Ek sou nie 'n beter man kon kry nie. Hy is 'n goeie pa en oupa, en hy bederf my baie," het Susan vertel.

Alhoewel die paartjie ook hulle nukke het, vul hulle mekaar goed aan.

Awie en Susan wil graag jong paartjies aanmoedig om geduld met mekaar te hê, uit te hou, verdraagsaam te wees en oneindig lief te wees vir mekaar.

# Connie-inwoners kry hul eie 'babas'

**Wilbotsdal** — Op Donderdag, 27 Julie het Sylvia Bush van Little Lovebug Nursery vyf 'babas' oorhandig aan inwoners van die Connie Mulder Sentrum.

Die *Herald* het einde Junie vertel hoe Sylvia materiaal van oorsee bestel, en dan tot in die fynste besonderhede 'babatjies' daarvan maak. Die ooreenkomstige tussen die poppe en regte babas is ongelooflik. Die 'babas' wat Sylvia maak, wissel van prematuur tot pasgebore. Hoewel dié stokperdjie Sylvia se passie is, het dit 'n liefdestaak geword toe sy besef het dat bepaalde vroue van Connie Mulder Sentrum, wat nie self babas kan hê nie, 'n behoefte het wat net 'n baba kan vervul. Die Connie Mulder-inwoners was spraakloos toe hulle hul eie babatjies ontvang het. Daar is selfs pappas wat die verantwoordelikheid saam met die nuwe mammas moet dra. Die 'babas' is boonop elkeen met 'n geboortesertifikaat asook items wat babatjies gewoonlik nodig het, aan die vroue oorhandig.

Hierdie inwoner spog met haar nuwe 'baba'.

Cornel Havinga, die maatskaplike werker by Connie Mulder Sentrum, het vertel hoeveel vervulling hierdie babas bied vir die vroue wat nog nooit hul eie babas gehad het nie. "Dit help ook met hulle algemene funksionering, en leer hulle verantwoordelikheid."

Sylvia en Cornel werk saam om die vroue, en mans, te leer om die babas mooi te versorg. Hulle monitor die vroue se optrede teenoor die babas, en maak seker die babas word reg en goed versorg. Cornel het verder vertel van 'n ernstig depressiewe vrou wat weer positief en gelukkig is sedert sy haar 'baba' ontvang het.

Mavis Barnes, 60, was ook in die sewende hemel toe sy haar premature seuntjie vir die eerste keer vashou. "Ek wil hom Francois noem," het sy ernstig gesê.

Cornel en Connie Mulder se bestuur is baie dankbaar teenoor Sylvia vir wat sy vir hulle doen.

# Donations galore for baby haven

**Maritza van Zyl**  
maritzaz@caxton.co.za

**Greenhills — The Just in Time Baby Sanctuary in Greenhills recently received a surprise visit and a blessed donation from Curro Krugersdorp Independent School.**

Georgina Caetano opened the sanctuary a year ago. It's a temporary place of safety, similar to The Cradle of Hope House of Restoration in Krugersdorp, an NGO that is completely dependent on the faith and goodwill of the community.

The *Herald* was invited by the school to witness this occasion, and the look on Georgina's face when she received five baby cots, a host of baby products and a delivery of soup, was worth waiting for.

A group of learners, and Samantha Smit (Operational Head of the high school), Roxanne Coetzer (school's marketer), Sylvia Gurnell (teacher at Curro Primary and coordinator of the outreach

programme) and Arno Viljoen (Curro's facility manager) were all present at the handover of the donations. Georgina was selected by Curro to receive these donations, but she only found out about them the week before. The learners themselves, their parents and the school all helped to collect the goods. Some of the learners present at the handover were Nomvula Chasakara, Shaina Roodt, Nianca Kempenaar, Blaine Kieck, Etienne Beukes and Kayla Padoa.

Georgina thanked the school from the bottom of her heart and told the learners how lucky they are to come from a privileged background, in comparison to the babies at the sanctuary, who are from very different backgrounds.

"Please tell your fellow learners, friends, family, and anybody else that falls pregnant at a young age or that has an unwanted pregnancy that there are options other than having an abortion or abandoning a child in a dustbin or the veld," Georgina pleaded.

"They can call me or any other baby sanctuary or a social worker for help," she added.

At this stage Georgina has three babies, aged two, three and six months old respectively, and two toddlers, one aged two, and the other two-and-a-half years old, in her care.

She decided to name the baby sanctuary in honour of her late son, Justin, who had passed away in a car crash at the age of 17, thus the name – Just In Time Baby Sanctuary.

## VRIENDSKAPTUISTE KERMIS 26 AUGUSTUS 2017

Begin die dag met ons Plaasontbyt en kom kuier sommer heeldag saam. Ons nuwe Portugese hoender en skaapboude op die spit is lipek lekker! Wen ietsie by die Tombola, koop 'n boek of twee en snuffel by die Wit olifant stal rond. Kom besoek ons plaasstal vir kraakvars groente, tuisgemaakte konfyt en vars gebakte brode. Drink 'n lekker koppie moerkoffie met 'n stukkie beskuit, sommer van die vuur af, of kies mooi plante vir die tuin! Kom ondersteun ons asb. en geniet die dag op 26 Augustus 2017.

Ons benodig steeds Tombola en Wit olifant Items. Indien u enige iets het wat rondlê en wil skenk vir ons Kermis, of dalk tuisgebak wil skenk vir ons Koektafel, kontak gerus ons kantoor by 011 412 1044/5 Reelings kan getref word vir die afhaal van items of tuisgebak.

## Mohlakeng school gets helping hand

**Mohlakeng** — Matlapaneng Primary School in Mohlakeng was the beneficiary of a Mandela Day initiative during which Women in Construction (WIC) donated food parcels and school uniforms to needy learners.

The involvement of WIC came after James Mokolobate who is a resident, a popular hair stylist and a social activist in Mohlakeng saw the need at the school and recommended them.

"This school has real social challenges. Most of the parents are unemployed and have no means of income. Learners rely on the school feeding scheme," he said.

Father Thato Molipa, who is the school chaplain and rector of St Matthews Anglican Church in Soweto added that Mandela

Day is about selflessness and servitude. "All of us should be servants and be there for those in need," he said.

Mapontsho Mopeli, the WIC deputy chairperson, indicated that this is what her organisation stood for. "We want to build houses, but we want them to be homes."

Nozipho Didiza Ndlela, a DA councillor in the Rand West City Local Municipality who is also part of WIC said their involvement was to care for an African child in need, and that was why they had come to Matlapaneng.

WIC is committed to attending to other needs the school may have in future, such as the kitchen and school hall, where the facilities are not good enough.

## Kickboxer Quinton aims to be the best

**Greenhills** — Wanting to become a household name in the sport he practises, 27-year-old Greenhills resident Quinton Rossouw, allows nothing to stand in his way.

Quinton is part of the Mile High Kickboxing Club. He eats, sleeps and lives in the ring and is training to be the best.

He is currently competing in Shidokan karate, kickboxing, wrestling, Ju-jitsu, Mixed Martial Arts (MMA) and cage fighting, to name but a few.

Quinton fell in love with wrestling at a young age, but when Shian Henk Pelsler, owner of Mile High Kickboxing and Shidokan, saw potential in him, things changed. Quinton's first fight was a MMA fight approximately two years ago and since then he has let nothing get in his way. He has fought all over South Africa and in October 2016, he visited New York to fight there as well.

Quinton trains seven days a week for three hours a day for him to be the best in his field. "I train in the morning from 4am until 5am and then again from 6pm until 8pm at night," said Quinton. The highlight of his career was when he fought in The Last Fighter Standing Competition in October 2016.

The winning prize was R200 000, but Quinton lost against his opponent by only one point.

This year he plans to go to New York for approximately four months to compete in the Tap-out Promotion.

After he has made his mark he plans to move to America, to train and fight there and eventually become a world class fighter in the Ultimate Fighting Championships.

"For you to become the best fighter, you need to be fit and have the mindset of a real fighter," said Quinton.

## Extreme fitness

**Nadine Maré**  
nadinem@caxton.co.za

**Homelake** — A brand-new obstacle course has been set up at Laerskool Randfontein for the purpose of getting the unfit in better shape.

The people behind it are the members of the Zero 2 Summit Outdoor Club, which was formed to get inactive people more active in a fun and safe environment. They said the obstacle course has fit and fun written all over it.

According to chairperson Vicky van Zyl, "It is the club's purpose to create events where individuals or families of all fitness levels can participate and enjoy the outdoors

while getting fit and healthy".

She added that there is a place for everyone at the club. Activities coordinated by the club include obstacle training, trail running, hiking and mountain biking. The obstacle course at the school is also available to companies for their team-building events or for birthday parties.

"Many people dream of spending a weekend of outdoor activities with their families, but they don't get around to doing it because they believe they won't be able to keep up with the other club members.

"People have to start at level zero and slowly work their way up to their desired level of fitness. Everybody has to start somewhere,

and the sooner they start, the better," Vicky said.

Each part of the name 'Zero 2 Summit' has a symbolic meaning that represents the club's mission and vision. The number 'zero' is symbolic of the seed from which pure potential emerges. The number '2' symbolises kindness, balance, tact, equalisation and duality. It also deals with exchanges made with others, such as partnerships and communication.

A summit can mean either a meeting of people who are interested in the same subject, or it can refer to the highest point of a mountain.
